

To: All Westlake Village Residents
From: Westlake Village Board
Subject: Florida Friendly Landscaping Workshop
Date & Time: Monday, February 22nd, at 6:30 PM
Place: Westlake Clubhouse

Please plan to attend this informative workshop, with a Power Point presentation, on how to establish and maintain a “Florida Friendly” landscape/lawn. This system of landscape maintenance is much more cost effective, yet still beautiful, as compared to the traditional water-hungry broad leaf Florida lawn variety.

Call to reserve your chair (room is limited) at 784-3054.
